**CARING BEYOND
THE PHYSICAL.**

Body, mind and soul. At Glendale Adventist Medical Center, we look at every patient as a unique individual and then treat that entire individual, bringing a level of care and commitment to community health that is simply unsurpassed.

**Medical/Surgical
RNs, LVNs & CNAs**

Our Medical/Surgical Services Department is comprised of five specialty nursing units and a float pool working as a team to provide the best in nursing care. In addition, all of our RNs are supported by a Director, Unit Head Nurse and a 24-hour Nursing Supervisor. Orientation consists of two and a half classroom days, computer training and on-the-job training with a RN. Current CA licensure with excellent interpersonal and customer service skills are essential.

We offer competitive salaries and excellent benefits. For nursing or other opportunities, please visit our web site www.glendaleadventist.com or contact us directly: **Glendale Adventist Medical Center, Human Resources, 1509 Wilson Terrace, Glendale, CA 91206.
